The Accarent Health Network provides access to a network of nationally recognized hospitals and highly rated academic medical centers. You will have the ability to compare Accarent Bundled Rates where each center participating in the network quotes the same plan parameters for each offered procedure ensuring you are truly comparing 'apples to apples.' You can then commit to a procedure with a clearer understanding of what you've signed up for.

Accarent offers case management, concierge services, and a travel benefit to ease your worries and ensure your experience goes as smoothly as possible. The result? Healthy patients who are happy with their care at reasonable prices.

Check with your plan administrator to see if you can save on patient deductibles and co-pays through the Accarent Network.

### Over 150 Offered Bundled Procedures and Counting—Including:
