UT Southwestern is an academic medical center, world renowned for its research, regarded among the best in the country for medical education and for clinical and scientific training, and nationally recognized for the quality of clinical care that its faculty provides to patients at UT Southwestern University Hospitals & Clinics and affiliated institutions. The institution's faculty of more than 2,800 is responsible for groundbreaking medical advances and is committed to translating science-driven research quickly to new clinical treatments. UT Southwestern physicians provide medical care in about 80 specialties to more than 105,000 hospitalized patients, nearly 370,000 emergency room cases, and oversee approximately 3 million outpatient visits a year.

#### UT Southwestern Hospital Bundled Procedures

##### **Solid Organ Transplants and Bone Marrow Transplant**

- Offering heart, kidney, liver, lung, allogeneic and autologous transplant procedures.

##### **Gene Replacement Therapy**

- Offering Kymriah and Yescarta for the treatment of B-Cell Lymphoma, and Leukemia, Tecartus for Mantle Cell Lymphoma, Breyanzi for Large B-Cell Lymphoma, and Abecma and Carvykti for Multiple Myeloma.

The Accarent Health Network provides access to a network of nationally recognized hospitals and highly rated academic medical centers. You will have the ability to compare Accarent Bundled Rates where each center participating in the network quotes the same plan parameters for each offered procedure ensuring you are truly comparing 'apples to apples.' You can then commit to a procedure with a clearer understanding of what you've signed up for.

Accarent offers case management, concierge services, and a travel benefit to ease your worries and ensure your experience goes as smoothly as possible. The result? Healthy patients who are happy with their care at reasonable prices.

Check with your plan administrator to see if you can save on patient deductibles and co-pays through the Accarent Network.
